

Happy New Year!

I hope everyone had a lovely Christmas break and you're all ready for a new term. Thank you so much for the lovely cards and gifts I received, I was very touched and very grateful.

PE.

PE will be on Wednesday this half term. We are lucky enough to have an outside coach working with us again this half term, which the children always enjoy.

May I please remind you to ensure your child has the correct kit, this does also need to include correct footwear (either trainers or plimsolls), as we do not have large stocks to lend.

Swimming will continue on Thursdays — please make sure your child has a waterproof coat.

Music

This half term Year 4 will be learning to play the ukulele, during their music lessons.

Newsletter

Year 4

Spring Term 2018

What will we be doing this term?

Robots.

The children have very much enjoyed the topics we have covered so far this year .

This half term's topic will be titled 'Robots'. Our DT project will involve building robots so please send in boxes and other materials that could be used. (Boxes should not be any bigger than cereal boxes please).

Homework and Spellings.

Homework will be handed out on Wednesday and collected in on the following Monday. Please encourage your child to complete their homework as it often leads into, and supports, work completed in the classroom. Spelling test is on a Thursday.

As well as weekly homework, it is important that children read for a sustained, quiet period of 15 minutes a day. To encourage this, the yellow Reading Record books will be checked weekly for evidence of reading at home. Please ensure that any reading at home is written in these books.

Other Information.

I would like to draw your attention to Abacus. This is an interactive maths website which the children login to individually, and complete tasks set by me. These activities will link to areas of maths that we are covering in school.

Also, next half term will be the Year 4 and Year 3 production. Children will be auditioning for parts towards the end of this half term.

Volunteering in school.

We are always looking for people to listen to children read. If you are interested please contact the office.

If you have any concerns, please do not hesitate to come and discuss them.

Regards
Mary Matthews
