

Welcome Back!

I hope you all had an enjoyable break!

Your child will need:

Library books and recorders on Tuesdays.

Outdoor PE kit on Tuesdays

Indoor PE kit on Thursdays.

The children are now settled in their second term and should be aware of the daily equipment they need, including water bottles, packed lunches, fruit money and P.E. kits etc. Handwriting pens are issued to children whose writing is cursive, legible and neat - these may be used in class during writing activities.

If you have any questions about routines, please don't hesitate to speak to Mr Beeston or Mrs Heath in person.

Newsletter

Year 3

Spring Term 2018

What will we be doing this term?

Introduction

Thank you for making us feel so welcome as we have the pleasure of working with Year 3. We know the value of working closely with families to support their child's education. If you would like to meet to discuss your child's social and academic progress, we will be glad to work with you.

Topic based work

The Topic base teaching of Literacy, Science, History and Art will continue this term. This aids in providing the students with a more holistic understanding of the topic, which this term is exploring the Stone Age through to the Iron Age

Maths

Your child should continue to practise their Mental maths targets. Learning mental and written calculation methods as well as developing quick recall of times tables facts will really help the children to apply their knowledge in class.

Homework

Homework will be given out on Thursdays and should be returned by the following Tuesday. The homework usually reflects topics which have been covered in class, but sometimes it may require children to do independent research. Fronter homework is sometimes set—children have an opportunity to

complete this during our ICT lessons if there is no internet access at home. Spellings will be given out on a Tuesday, with a weekly spelling test on the following Tuesday.

As well as weekly homework, it is important that children read for a sustained, quiet period of 15 minutes a day. If you have any questions, please contact us. Reading records should be signed and handed in weekly on Monday mornings.

BRAIN FOOD!

Our brains are like cars - without fuel they don't work!

Many children suffer a mid morning 'low' at about 11.15 a.m. This can be overcome by making sure your child has a sensible breakfast before coming to school (or at Breakfast Club) and by eating a healthy snack at break time. They can either bring a piece of fruit to school with them or purchase fruit from the fruit trolley for 20p.

Kind regards,
Mr Beeston/ Mrs Heath.
