

Harmondsworth Primary School Attendance Policy

Aims

Harmondsworth Primary School aims to ensure our school environment promotes and maintains high levels of attendance for all our pupils so that they benefit fully from the educational opportunities available.

It is widely known that the link between a student's attendance and attainment is irrefutable.

The right to education

A child's right to education is set out in Every Child Matters (ECM):

- Be healthy
- Stay safe
- Enjoy and achieve
- Make a positive contribution
- Achieve economic well being

The Human Rights Act also identifies the following entitlement:

- The right to education, play, leisure and cultural activity
- The right to protection from work exploitation
- The right to special care and social integration for children and young people with disabilities
- The right to have a say in issues that affect them

Legal Framework

Harmondsworth Primary School works with the support of the Education Welfare Service to enforce the legal framework as defined in The Education Act 1996, The Children's Act 1989 (section 36) and the Education Act 2004 . There are responsibilities on Parents and schools and the LA as outlined in this policy.

Attendance

Harmondsworth Primary School believes that attendance at school is an essential pre-requisite for a successful and fulfilling school career. Prolonged absence, irregular attendance and lack of punctuality can all serve to undermine educational achievement and result in considerable long-term disadvantage to children and young people. Pupils who do not attend regularly may be placed at considerable risk and, in some cases, may be drawn into patterns of anti social or criminal behaviour.

The DFE expects children to attend school at least 95% of the time.

Request for Exceptional leave

Amendments to the 2006 regulations remove references to family holiday and extended leave as well as the statutory threshold of ten school days. The amendments make clear that Headteachers may not grant any leave of absence during term time unless there are exceptional circumstances. Headteachers should determine the number of school days a child can be away from school if the leave is granted.

We recognise that there may be exceptional circumstances which can be considered by the Head Teacher for leave during term time. Parents must write to the Head Teacher to obtain authorisation during term time. Each request will be considered individually, taking account of the nature of the request. All exceptional leave will be logged on the student's record.

The Participation Team can issue Penalty Notices for any unauthorised 'Exceptional Leave' Penalty Notices can be issued to each parent/carer concerned. Please note that it will be per parent per child. Payment within 21 days of receipt of notice is £60 and £120 if paid after this period but within 28 days. If the Penalty Notice remains unpaid you will each receive a summons to Uxbridge Magistrates Court. If unauthorised leave is repeated the Participation Team may summons each parent to Court without a Penalty Notice being issued.

Procedures

Absence

1. On the first day of absence the school asks parents to inform the school of the reason by means of a phone call or letter.
2. The absence letters/records of phone calls to explain absence are kept in the registers and the absence is recorded using the appropriate symbol.
3. The Welfare Officer and Family Support Worker monitor the registers on a daily/weekly basis and will send letters home to parents who have not contacted the school.
4. Parents/Carers will be invited into school to discuss on going attendance concerns.

5. The pupil will have an individual attendance plan
6. If absences persist the case will be referred to the Participation Officer. The DFE deems a pupil to be a persistent absentee if attendance is below 90%
7. Attendance Panel - If there is continued unauthorised absence (after writing to parents and meetings have taken place) the school will involve the Participation Officer who will initiate an Attendance Panel.

The Education (Penalty Notices) (England) Regulations 2007

Amendments have been made to the 2007 Regulations in the Education (Penalty Notices) (England) (Amendment) Regulations 2013. These amendments, as described below, came into force on 1 September 2013.

The 2007 regulations set out the procedures for issuing penalty notices (fines) to each parent who fails to ensure their children's regular attendance at school or fails to ensure that their excluded child is not in a public place during the first five days of exclusion.

Amendments to 2007 regulations will reduce the timescales for paying a penalty notice. Parents must, from 1 September 2013, pay £60 within 21 days or £120 within 28 days. If the notice remains unpaid after 28 days the parent will be summoned to the Magistrate's Court and could be fined up to £2500.

This brings attendance penalty notices into line with other types of penalty notices and allows local authorities to act faster on prosecutions

Lateness

1. If the child arrives after 8.50 and before the register closes a red L will be entered into the register. This will be an authorised late.
2. If the child arrives after 9.00 a black U will be entered into the register. This is an unauthorised late.
3. Parents of children who are regularly late will be contacted by the Attendance Officer in the first instance. Further lateness will be referred to the Family Support Worker and parents invited in to School for a support meeting. If no improvement a referral to the Participation Officer at LBH will be made.

Early Arrivals

Parents of children who regularly arrive unaccompanied early (before 8.40 am) in the morning will be contacted.

End of the school day collection

Parents must collect their children promptly at the end of the school day or after clubs.
