Dear Parents/Carers

Welcome back to school. I hope that you all had a good half term.

I would like to thank you for very positive open evenings before half term. If you were unable to attend please see your child's class teacher to make an appointment.

The children have returned rested and enthusiastic about the new half term.

They are already enjoying their new topics. Year Six have attended an event in the village with the Mayor of Hillingdon relating to World War Two. Later this week /term Years 1,2,3,4,5 and 6 will be taking part in STEM (Science, technology, engineering and mathematics) activities.

You will be receiving information about what the children are learning this half term. I am looking forward to seeing you all at the many events we have planned.

Regards

Mrs Eleesa Dowding

## Anti Bullying Week—12th-16th November

The children will be taking part in a range of activities to:

- to understand the definition of respect
- to know that bullying is a behaviour choice
- that we can respectfully disagree with each other i.e. we don't have to be best friends or always agree with each other but we do have to respect each other
- that we all need to choose to respect each other both face to face and online
- help children and young people understand how important it is that every child feels valued and included in school, able to be themselves, without fear of bullying.
