

# Harmondsworth News

Dear Parents/Carers

This half term is flying by! I wanted to let you know some of the activities the children have been participating in and to remind you of forthcoming events. I was so pleased with the Choir's performance at the Remembrance Service in the village on the 11th November. Please see a note from the event organiser below.

Dear Mrs Dowding

I am writing to thank you and Mrs Heath for helping to make the village commemoration of the centenary of WW1 so successful. The children were a credit to the school and the village. I know you and Mrs Heath gave up your personal time to supervise the children. Yesterday was such an important day in our history and it was wonderful to see the young and old come together to mark the occasion. I do hope we can work together on future projects.

Thank you so much, Veronica Rumsey  
Events Organiser.

We are going to be working with Veronica on a Christmas project in the village- watch this space!

Christmas Lunch- Thursday 13th December- please use the usual order forms.

## School In A Bag

Many thanks to our School Councillors from last academic year and this academic year for the fundraising they organised for School In A Bag. We raised £400 which has enabled us to pack and send 20 bags to children less fortunate. In the New Year we will be able to track the bags online to see where they are sent.

'Thank you so much for your time this morning - I love coming to your school it is such a lovely place. You should be very proud of yourselves.

Thank you for supporting School in a Bag - hope to see you in 2019. Warm regards Lis Foy School Liaison Officer'

**Professor Bubbleworks**  
The children enjoyed a Science based assembly full of experiments. We are hoping to provide science workshops for classes next year.

## Stixx

Years 1-6 have enjoyed STEM (Science technology, engineering and Maths) sessions. Mr King was very impressed with how well the children worked together and how well behaved they were. Well done everyone!
