Dear Parents/Carer

Our School Values

We have been busy revisiting our values. All of the children and staff have been involved with this.

Our values are based around the word **THRIVE**.

- T** Tolerance and Teamwork
- H** Honesty and Happiness
- R** Resilience and Respect
- I** Independence and Inclusiveness
- V** Vision and Voice
- E** Equality and Enjoyment

These values will underpin all that we do at school and will be continually revisited. This will take place in our day to day expectations in lessons and behaviour as well as during assemblies, PSHE lessons and circle times.

Regards
Mrs Dowding

New playground Equipment

We are very pleased with the new equipment in the KS1 playground.

Thank you for your support with ensuring pupils do not use equipment before or after school.

Remembrance Sunday

Congratulations to those children from singing club who performed at the Remembrance Service on the village green. Many thanks to those parents, carers and staff who were able to attend.
