

Harmondsworth News

Dear Parents/Carers

As this term nears to an end, I have reflected on how successful this term has been. I am so proud of all of our pupils who have shown such resilience, positivity and motivation. They have adapted so well to all the changes at school due to Covid-19. I am also pleased how our staff team have worked tirelessly to overcome obstacles to ensure that we continue to do our very best for our pupils. I am grateful that we have still ensured the pupils have had a variety of experiences to enhance their learning. This term we have had a range of topic dress up days, sports coaches, theatre visits, Police visits, orienteering workshop, skipping workshops, Fire Service workshops and virtual library sessions to name a few! Many thanks for your ongoing patience and support throughout this term.

**On behalf of everyone at
Harmondsworth Primary School,
we wish you a very
Merry Christmas
and a Happy New Year!
Regards
Mrs Eleesa Dowding**

Test and Trace

We will continue to support Test and Trace and would ask that you email the office if your child tests positive for COVID-19 up until Thursday 24th December. Please include your child's name, date when symptoms started, date of confirmed COVID-19 test result and their last day in school. We will inform other parents by email if your child has been a 'close contact' and is required to self-isolate. For clarity, if your child tests positive for COVID-19, having developed symptoms more than 48 hours since being in school, the school should not be contacted. Thank you.

Christmas Decorations

We have been working with the village association to decorate the High Street. The children have been making baubles which are on display in the village. They look beautiful!

Raffle

The PSA are holding a children's raffle. Tickets cost £1 a strip. Please send money in a sealed envelope. Exact money only please. All money must be sent in by Tuesday 15th December (to allow for quarantining). Thank you
