Spring Term 2

Dear Parents/Carers

We have had such a busy term– it has flown by! I have been so pleased with the recent feedback we have had from visitors.

'Many thanks for having me into your school today. It was lovely to meet your students and I hope everyone enjoyed the session and learnt something new. I was very impressed with their behaviour, how well they listened and were able to be controlled in using the voting pods – often the excitement can be too much! They also asked some very intelligent questions especially about the House of Lords.' UK Parliament Outreach

'I just wanted to say what a pleasure it was to deliver at your school again and how impressed I was with the way all year groups attentively listened and participated.

They were all so well behaved and I also wish to thank you and all the staff for your help and support. I look forward to delivering at your school again in the future.' NSPCC

'Thanks again for inviting us to your school to do an assembly. The students were a real credit to your school, and everyone was really welcoming.' Iver Environment Centre

'The year 5 and year 6 classes were such a pleasure to work with during the Enterprise Workshops. The pupils were attentive, listened well, followed instructions and were engaged throughout.' Heathrow Coding Team

I am very proud of all our pupils. Well done everyone!

Regards
Mrs Dowding
